Reviewer's report

Title: What is known about an association between rural medical education and rural practice location: a scoping review

Version: 2 Date: 25 February 2015

Reviewer: Roger Strasser

Reviewer's report:

Thank you for the opportunity to review this revised manuscript.

I am satisfied that the authors have addressed the issues and concerns raised by all reviewers including myself.

In my view, this paper is ready for publication.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
