Reviewer's report

Title: Human Resources for Primary Health Care in Africa: Progress or Stagnation?

Version: 4  Date: 11 February 2015

Reviewer: Amani Siyam

Reviewer's report:

The following revisions are needed:
1. Results section (page 4) the sentence starts with "Overall health worker density.." the authors must specify which cadres are included in the density discussed and the correct labelling must also follow in Figures 1 and 2.
2. Authors must check typos e.g. page 4, Botswana is spelled Batswana.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:
