Reviewer’s report

Title: HOSPITAL PHARMACY WORKFORCE IN BRAZIL

Version: 1 Date: 31 Aug 2017

Reviewer: Pascal Geldsetzer

Reviewer's report:

The authors have addressed my comments. My only (minor) remaining comment is that it would be good to clarify whether the regressions shown in Table 4 are univariable or multivariable. I personally think it would be useful to show both the univariable and multivariable ORs.

Level of interest
Please indicate how interesting you found the manuscript:

An article whose findings are important to those with closely related research interests

Quality of written English
Please indicate the quality of language in the manuscript:
