Title: Are the Global Strategic Directions for Strengthening Nursing and Midwifery 2016–2020 being implemented at country level? Findings from a cross-sectional analysis

Version: 0 Date: 26 May 2019

Reviewer's report:

This is important information and appropriate for our Journal.

May I suggest, however, that you prepare an additional paper, written in narrative form with clearly identified implications for nurses in countries to understand (skip the abbreviations). The ICN International Nursing Review, for instance is read by nurses in over 100 countries and your conclusions could suggest to them 'where to go'
