Title: Feminisation of the health workforce and wage conditions of health professions: an exploratory analysis

Version: 2 Date: 10 Jun 2019

Reviewer: Lindsay Hedden

Reviewer's report:

I appreciate the substantial work the authors have done in responding to the (often contrary) comments provided by the three reviewers. In particular, I appreciate the addition of Figure 2, Table 3, and expanded/reconfigured limitations section. The paper has been significantly improved. I have no further suggestions.
