Title: Migration Intentions of Asian and African Medical Students Educated in China: A Cross Sectional Study

Version: 2 Date: 18 Jul 2019

Reviewer: Niamh Humphries

Reviewer's report:

The article (particularly the background and discussion sections) need to be edited for English language. Although the authors say that the article has been proof read in English, I don't see that many language-related changes have been made since the last draft of the paper (other than those I highlighted). This needs to happen before the article is ready to be reviewed again.
