Reviewer’s report

Title: Supporting the use of research evidence in decision-making in crisis zones in low- and middle-income countries: A critical interpretive synthesis

Version: 0 Date: 12 Dec 2019

Reviewer: Ruth Stewart

Reviewer's report:

Dear Team, I really enjoyed this article and believe it makes a valuable contribution. Occasionally I didn't understand quite what was being said and some more details / definitions etc would help. This might in part have been because the figures were all at the end and not supporting the text as I read.

I have included comments on the pdf and hope you find them helpful.

Kind regards

Ruth
