Title: Evaluation of the Mortality Registry in Ecuador (2001 - 2013) - Social and Geographical Inequalities in Completeness and Quality

Version: 1 Date: 17 Sep 2018

Reviewer: Margarita Ronderos

Reviewer's report:

Peralta et al have indeed made a valuable effort to improve the article in regards to methods used clarity. In this version of the article the authors have answered the questions raised in my first review satisfactorily. The methods appendix clarifies many of the issues that were unclear on the original manuscript.
