Reviewer’s report

Title: Delayed initiation of Antenatal Care and Associated Factors in Ethiopia: A systematic review and meta-analysis

Version: 0 Date: 01 Oct 2017

Reviewer: Carla Andreucci

Reviewer’s report:

The authors addressed the issue of delayed initiation of prenatal care in Ethiopia very well. The papers included addressed the review’s question and had the proper study design. Results were relevant and may be locally applied for improvement of obstetrical care in a low income country.
