Title: Applying the Results Based Management framework to the CERCA multi-component project in adolescent sexual and reproductive health: a retrospective analysis

Version: 0 Date: 31 Jul 2017

Reviewer: Alejandra Trossero

Reviewer’s report:

A well articulate analysis using the RBM that could help improving multi-country implementation (operational) research in Latin America. There are clear lessons learned the authors have included that could help improving similar research initiatives. In terms of the relevance for publishing the article, it may be relevant to include implementation research as one of the key words as it may be relevant to professionals working on this field.
