Reviewer’s report

Title: Improved prediction of gestational hypertension by inclusion of Placental Growth Factor and Pregnancy Associated Plasma Protein-A in a sample of Ghanaian women

Version: 0 Date: 28 Jan 2018

Reviewer: Aniekan Abasiattai

Reviewer's report:

ABSTRACT: There are few grammatical errors that need to be corrected e.g page 2 lines 32-33 should be obtaining antenatal care or attending antenatal clinic. Similarly lines 32-34 should be recasted.

INTRODUCTION: Hypertensive disorders of pregnancy is not a single condition yet the authors refer to them as the condition eg lines 85 and 86 page 4. The statement in lines 103-104 should be referenced.

METHODS: What informed the choice of the two hospitals used in the study? for the purposes of clarification the authors should define gestational hypertension in the context of their study.
