Reviewer’s report

Title: Depression among pregnant women and associated factors in Hawassa city, Southern Ethiopia: an institution-based cross-sectional study, 2017

Version: 0 Date: 09 Jan 2019

Reviewer: Nancy Kidula

Reviewer’s report:

A very good article

It would be enriched by correcting the grammatical mistakes and completing the sentences.

In addition ensure that the information is consistent e.g. social support effect on antenatal depression- in one area it was said that it has no effect yet the data and other comments show a different picture.

It would be helpful for readers who are not from Ethiopia to know the equivalent Birr to USD for better comparison and understanding.

It would also be useful to have more comprehensive recommendations on management of ANC depression
