Reviewer’s report

Title: Miscarriage hospitalisations: A national population-based study of incidence and outcomes, 2005-2016

Version: 0 Date: 12 Nov 2018

Reviewer: Ali Montazeri

Reviewer's report:

This is an interesting paper on miscarriage in Ireland during 2005-2016 using electronic records. Overall it is well designed and well written and merits publication. The methods and analyses are appropriate and the conclusions are supported by the data.
