Reviewer’s report

Title: Extent of induced abortions and occurrence of complications in Kinshasa, Democratic Republic of the Congo

Version: 0 Date: 14 Nov 2018

Reviewer: Stembile Mugore

Reviewer's report:

This is a good article, very useful. It could be enriched with describing the limitations of this methodology and discussion on program implications. Also are abortions legal or illegal in DRC?

Level of interest
Please indicate how interesting you found the manuscript:

An article of importance in its field

Quality of written English
