Title: Adult and Young Women Communication on Sexuality: a pilot intervention in Maputo-Mozambique

Version: 0 Date: 30 Apr 2019

Reviewer: Worknesh Abshire

Reviewer's report:

As it is understood, the intergenerational sexuality education and communication remains very vital to add values and clarifies misconceptions among adolescent and youth. This article mainly address this misconception and add values in the development of young people.

I have a reservation with the sample size, however the message is valuable for readers.
