Reviewer’s report

Title: Novel methodologies and technologies to assess mid-palatal suture maturation: A systematic review

Version: 0 Date: 11 Apr 2017

Reviewer: Aysa Ayali

Reviewer’s report:

Dear Authors;

The study is well-designed and fits the scope of the journal. Although the database is not completely new and literature references are not up-to-date the manuscript adequately describes the importance and relevance of the database.

I recommend the publication of the report with the changes mentioned below:

1. Methods Section:

Synthesis of results: "As the data was not considered heterogeneous enough a meta-analysis was not conducted." --> heterogeneous or homogenous?

2. In Figure 1 there is a spelling error. Final Selection --> Selection

Level of interest
Please indicate how interesting you found the manuscript:

An article whose findings are important to those with closely related research interests

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?
4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests
