Reviewer’s report

Title: Clinical and radiographic evaluation of pulpectomy in primary teeth: a 18-months clinical randomized controlled trial

Version: 0 Date: 31 Mar 2017

Reviewer: T Tuzuner

Reviewer's report:

It is well written article.

Abstract:

Please state the statistical method in the Methods part, shortly.

Introduction:

Well designed.

Subjects:

Please give details about the randomization procedure and sample size calculations for patients.

Treatment-Radiography and follow up:

Please state why the proportions prepared 0.21 g zincoxide, 0.07 eugenol and 0.18 g iodoform. Do you have any pilot investigations about these ratios.

Please state if you completed any in-vitro antibacterial effects of this combination (for example on E. faecalis) compared to the previous published materials. If not, please state such synergistic and/or additive effects of combined drugs as antibacterial therapies in the discussion part. Please clearly discuss in the discussion part with the similar products in the literature.

Discussion:

Please give detailed explanation by using schematic figure in the Method part including the chemical and/or physical reactions about the favourable absorbability.
Level of interest
Please indicate how interesting you found the manuscript:

An article of importance in its field

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.
