Reviewer’s report

Title: The influence of dexamethasone on postoperative swelling and neurosensory disturbances after orthognathic surgery: A randomized controlled clinical trial.

Version: 0 Date: 27 Sep 2017

Reviewer: Philipp Thönissen

Reviewer's report:

The authors stress the importance of using 3D imaging technologies in gaining more information about a special therapy like orthognathic surgery. They present a method for reaching objective results. For more information it would be interesting whether a different dose has a special impact on reduction of swelling. So further studies are recommended to quantify reduction of swelling according to dose and type of surgery. Unfortunately there is no discussion about postsurgery complication rates after administering corticosteroids.

Level of interest
Please indicate how interesting you found the manuscript:

An article whose findings are important to those with closely related research interests

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.
I declare that I have no competing interests.
