Reviewer’s report

Title: Odontoblast-like differentiation and mineral formation of pulpsphere derived cells on human root canal dentin in vitro

Version: 0 Date: 16 Sep 2017

Reviewer: Anthony Markus

Reviewer's report:
Thank you submitting this paper. It is well constructed and presents well thought through science

I have only a few minor comments relating to use of language:

Line 43 - what is an 'outgrown' cell? Do you grown, or perhaps cultured? This also appears on line 360
Line 69 - should be 'characteristics'
Line 285 'in the following' - change to 'subsequently'
Line 286 'performed' - do you mean stimulated or initiated?

I will recommend this paper for publication but please make these minor changes

Level of interest
Please indicate how interesting you found the manuscript:
An article of importance in its field

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?
2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interest
