Reviewer's report

Title: Anti-nuclear Antibody and Rheumatoid Factor Positivity in Temporomandibular Disorders

Version: 1 Date: 26 Oct 2018

Reviewer: Gaetano Isola

Reviewer's report:

In the R1 version of the manuscript entitled: "Anti-nuclear Antibody and Rheumatoid Factor Positivity in Temporomandibular Disorders" the authors followed all the issues suggested by the reviewer. Though the changes based on the reviewer comments, almost of the criticisms were carefully analysed and solved.

I have carefully evaluated all parts of the manuscript. I believe that the article, in this version, is now adequate for publication in this journal.

Level of interest

Please indicate how interesting you found the manuscript:

An article of importance in its field

Declaration of competing interests

Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?
If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests
