Reviewer's report

Title: Assessing staining resistance of a CAD/CAM interpenetrating network composite material

Version: 1 Date: 18 Oct 2018

Reviewer: Dieter Dirksen

Reviewer's report:

There are still some minor language issues which should be addressed:

Line 128:
Firstly, Kolmogorov-Smirnov normality distribution was evaluated. Should be replaced by:

First, a Kolmogorov-Smirnov test for normality was carried out.

Table 1:
Different superscript letters point out that statistically significant differences in same line according to Kruskal-Wallis and Mann-Whitney U (p<0.05).

Should be replaced by:

Different superscript letters indicate statistically significant differences in the same line according to Kruskal-Wallis and Mann-Whitney U tests (p<0.05).

Table 3:
Different superscript letters point out that statistically significant differences in same line according to Kruskal-Wallis and Mann-Whitney U (p<0.05). Additionally, the group marked with * statistically different from other groups in same column according to Friedman and Wilcoxon tests (p<0.05).

Should be replaced by:

Different superscript letters indicate statistically significant differences in the same line according to Kruskal-Wallis and Mann-Whitney U tests (p<0.05). Additionally, the group marked with * is statistically different from other groups in the same column according to Friedman and Wilcoxon tests (p<0.05).
Level of interest
Please indicate how interesting you found the manuscript:

An article of importance in its field

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests
