Reviewer’s report

Title: Drivers of telemedicine use. Comparative evidence from samples of Spanish, Colombian and Bolivian physicians

Version: 1 Date: 5 December 2013

Reviewer: Anne G. Ekeland

Reviewer’s report:

Major Compulsory Revision:
1. Make the object of study (systems or countries?) clear
2. Inform about and substantiate use and differences between the systems or countries
3. Provide Your sample selection criteria
4. Provide the data collection methods
5. Discuss generalizability questions

Minor Essential Revisions
Some claims need to be substantiated by References, see attached report

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:
