Reviewer's report

Title: Assessing the implementability of telehealth interventions for self-management support: a realist review

Version: 2  Date: 18 March 2015

Reviewer: Elizabeth Murray

Reviewer's report:

The authors have responded satisfactorily to all my comments.

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I have no financial competing interests. I have published and held grants with some of the co-authors.
