Reviewer’s report
Title: Assessing citation networks for dissemination and implementation research frameworks

Version: 0 Date: 29 Apr 2017

Reviewer: Ann McKillop

Reviewer's report:
Thank you for the opportunity to review this detailed and interesting work. This important article is invaluable for ascertaining the publications that form the infrastructure of work on D & I frameworks. The novel methods are certainly articulated in detail. I wonder if it is possible to summarise some of the detail of procedures used without losing sufficient explanation of methods and rigour. I think this would enhance readability of the article.

Level of interest
Please indicate how interesting you found the manuscript:
An exceptional article

Quality of written English
Please indicate the quality of language in the manuscript:
Acceptable

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:
1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?
2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?
3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?
4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?
5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.
