Title: Advancing the literature on designing Audit and Feedback Interventions: Identifying theory-informed hypotheses

Version: 0 Date: 02 Aug 2017

Reviewer's report:

Thank you for the opportunity to review this fine work. This is a superb article that contributes strongly to the A & F research agenda. One issue to consider would be to acknowledge the North American/European bias of participants and therefore how A & F may be considered among those from Asian and Pacific cultures.
