Reviewer's report

Title: Individual and Organizational Factors that Affect Implementation of Evidence-based Practices for Children with Autism in Public Schools: A Cross-Sectional Observational Study

Version: 1 Date: 27 Jan 2019

Reviewer: Justin Smith

Reviewer's report:

The authors have addressed each of the concerns I raised in the prior round of review. The manuscript as it stands now is clearer in its presentation and in specifying the contributions to the field. I recommend accept as is.

Level of interest
Please indicate how interesting you found the manuscript:

An article whose findings are important to those with closely related research interests

Quality of written English
Please indicate the quality of language in the manuscript:

Acceptable

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?
If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare no competing interests.
