Reviewer’s report

Title: Computerized clinical decision support system for diabetes in primary care does not improve quality of care: a cluster-randomized controlled trial

Version: 0 Date: 04 Sep 2019

Reviewer: Bráulio Nascimento Lima

Reviewer's report:

This is an article to which I do not have much to add. Punctuation and description can be accepted in this format. In my view, it is very clear, the definition of the Sample, the significance and the Power test. I only request that the Effect Size be reported.
