Title: Research quality in scoliosis conservative treatment: state of the art

Version: 3 Date: 3 June 2015

Reviewer: Rene Marten Castelein

Reviewer's report:

Minor Essential Revisions:
If the decision is made to publish as an article rather than as an Editorial, there are only textual suggestions that may improve the manuscript. A native English writer could help.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.
