Title: Quality of Life and Patient Satisfaction in Bracing Treatment of Adolescent Idiopathic Scoliosis

Version: 1 Date: 22 Jun 2018

Reviewer: M S Wong

Reviewer's report:

There are still some grammatical and typo mistakes.

More detailed elaboration of the process of translation from Greek to Spanish is needed. What validation procedure has been done? How many subjects were included?

More subjects should be recruited in order to allow meaningful statistical analyses for evaluation of quality of life of the subjects.
