Title: Two Melodies in Concert: Mitral and Pulmonary Valve Replacement Late in Repaired Tetralogy of Fallot

Version: 2  Date: 24 November 2014

Reviewer: Kivanc Metin

Reviewer's report:

I think, this is a rare and interesting case. The paper itself deserves publication. There are few syntax and spelling errors, which can be fixed with a minor revision.

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Needs some language corrections before being published

Declaration of competing interests:

I declare that I do not have any competing interest(s) with the authors of this manuscript, or their institution.
