Reviewer's report

Title: Surgery for Localized Pulmonary Mycotic Infections in Hematopoietic Disorder Patient

Version: 2 Date: 10 April 2015

Reviewer: Giulio Rossi

Reviewer's report:

The paper is interesting and shows an unusual medical condition for thoracic surgeons and haemathologists.

I have no major points of discussion about it.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
