Reviewer's report

Title: Case Report: Endovascular Treatment of Aortic Pseudo-aneurysm Caused by fishbone

Version: 3 Date: 9 June 2015

Reviewer: Daniela Mazzaccaro

Reviewer's report:

The article was revised according to the suggestion and can be now considered suitable for publication in the journal. Some little typo revision are still needed throughout the text.

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Declaration of competing interests:
