Reviewer's report

Title: Circulatory Support Exceeding 5 Years with a Continuous-Flow Left Ventricular Assist Device for Advanced Heart Failure Patients

Version: 2 Date: 1 June 2015

Reviewer: Ahmed Zaki

Reviewer's report:

1- Major compulsory revisions: None

2- Minor essential revisions:
   - None

3- Discretionary revisions:
   - It would be good to know more details about the background of the patients and any other associated risk factors specially for the first 2 patients.
   - Also the number of patients is relatively small , would be nice to have more patients.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
