Reviewer's report

Title: Giant aneurysm of the left main coronary artery with fistulous communication to the right atrium

Version: 3 Date: 28 April 2015

Reviewer: KASRA SHAIKHREZAI

Reviewer's report:

There are some minor syntax problems in the newly added phrases which need to be addressed.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published
