Subject: Submission of a case report for evaluation

Date: 11 May 2015

Dear Editor

I am enclosing here with a manuscript entitled “Collaborative Treatment of Huge Intrathoracic Meningoceles Associated with Neurofibromatosis Type 1” for publication in Interactive CardioVascular and Thoracic Surgery for possible evaluation. With the submission of this manuscript I would like to undertake that the above mentioned manuscript has not been published elsewhere, accepted for publication elsewhere or under editorial review for publication elsewhere; and that all co authors listed below have agreed to have seen and approved the manuscript for submission.

With regards

Yong Jin Chang, MD
