Reviewer’s report

Title: Video-assisted Thoracoscopic Cardiac Denervation of Refractory Ventricular Arrhythmias and Electrical Storms: A Single-center Series at the Cardioinfantil Foundation

Version: 0 Date: 12 Aug 2018

Reviewer: Jong Bum Choi

Reviewer's report:

This article manuscript may have some meanings in a single-center outcome, although there were similar reports which had been reported. However, this article should be revised in most parts, especially in English grammars and for fluent sentences. Probably the article was not revised by some experts for creating English article.

Level of interest
Please indicate how interesting you found the manuscript:

An article whose findings are important to those with closely related research interests

Quality of written English
Please indicate the quality of language in the manuscript:

Not suitable for publication unless extensively edited

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?
If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests.
