Reviewer’s report

Title: A Graft Inversion Technique for Retrograde Type A Aortic Dissection after Thoracic Endovascular Repair for Type B Aortic Dissection

Version: 0 Date: 03 Dec 2018

Reviewer: A El-Gamel

Reviewer's report:

Nice confirmation of proposed technique to improve outcome following retrograde dissection, nicely written the pictures provided difficult to follow and add very little to understand the technique I propose drawing diagrams to illustrate clearly the operative steps which will increase the publication impact and improve the readers understanding
