Reviewer's report

Title: Hybrid Bronchoscopic and Surgical Resection of Endotracheal Angiomatoid Fibrous Histiocytoma

Version: 0 Date: 21 Jan 2019

Reviewer: Akira Iyoda

Reviewer's report:

This report showed an endotracheal AFH tumor. A figure was composed of 8 photos, however, histopathological figures are very important in this report. They should separate those from figure1.

Level of interest
Please indicate how interesting you found the manuscript:

An article of importance in its field

Quality of written English
