Reviewer’s report

Title: The surgical treatment of anomalous origin of one pulmonary artery from the ascending aorta

Version: 1 Date: 17 Feb 2019

Reviewer: Prem Venugopal

Reviewer's report:

Dear Authors,

Thanks for the opportunity to reviewing your article. It provides us with your experience in dealing with AOPA. The article needs extensive overhaul of the language before we can make any meaningful comments. I am looking forward to reviewing the article once you have looked into the language element of you article.

Level of interest
Please indicate how interesting you found the manuscript:

An article of importance in its field

Quality of written English
Please indicate the quality of language in the manuscript:

Not suitable for publication unless extensively edited

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?
4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests.
