Reviewer's report:

Dear Authors, I feel you have done a good job at addressing the comments provided by all reviewers and this has improved your article. Specifically, thank you for addressing my comments - the additional detail provided regarding the translation process and regarding the specific challenges in the translation of certain items and words is really helpful for the reader and provides interesting detail. Thank you for adding Figure 1 and the ranges of Cronbach's alpha for each subscale. I feel this article will be a valuable addition to the literature.
