Reviewer's report:

Thank you for submitting this interesting manuscript, which significantly contributes to the field. Could I please ask that the word 'resources' is changed to 'resourced' on p. 3, line 28 of the Abstract; 'and' is changed to 'an' on p. 17, line 366 of Consent for publication and the List of Abbreviations are arranged alphabetically? Throughout the Background, previous data concerning Indigenous populations are described, however, there is no mention of ethnicity / proportions of Aboriginal or Torres Strait Islanders among this studies participants. If this data is available, I believe it would be of interest to the reader.
