Reviewer’s report

Title: An Internet-based algorithm for diabetic foot infection during the COVID-19 pandemic

Version: 2 Date: 21 May 2020

Reviewer: Anita Raspovic

Reviewer's report:

Thank you for your reviews to this letter to the editor, I only have two minor suggestions:

It would be beneficial if the following new sentence is reworded to improve clarity and flow on better from the last sentence. "Although this is not a scientific-based study, it would benefit if there is supporting evidence on the algorithm and more detail on the treatment pathways would be beneficial.

The word internet does not need to be capitalised.

Level of interest
Please indicate how interesting you found the manuscript:

An article whose findings are important to those with closely related research interests

Quality of written English
Please indicate the quality of language in the manuscript:
