**Reviewer’s report**

**Title:** Preoperative genetic testing impacts surgical decision making in BRCA mutation carriers with breast cancer: A retrospective cohort analysis

**Version:** 0 **Date:** 22 Jun 2017

**Reviewer:** Steven Narod

**Reviewer's report:**

This is an excellent paper

Some grammatical errors

Would benefit from a more extensive analysis of what predicts cpm beyond knowledge of brca status

E.g. age of diagnosis, stage, ethnic group etc.

Should add a table to include this data

**Level of interest**

Please indicate how interesting you found the manuscript:

An article of importance in its field

**Quality of written English**

Please indicate the quality of language in the manuscript:

Needs some language corrections before being published

**Declaration of competing interests**

Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?
4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests
