Reviewer’s report

Title: Increased Breast Cancer Risk in Women with Neurofibromatosis Type 1: A Meta-analysis and Systematic Review of the Literature

Version: 0 Date: 02 Jan 2019

Reviewer: Jacek Gronwald

Reviewer's report:

The paper is a meta-analysis of literature data on the incidence of breast cancer in patients with NF1. This analysis concerns an important problem, rarely discussed. The methodology is correct. The conclusions are balanced. I recommend this work for publication in its current form.
