Reviewer’s report

Title: A self-guided internet-based intervention for individuals with gambling problems: study protocol for a randomized controlled trial

Version: 0 Date: 26 Nov 2018

Reviewer: Eleonora Volpato

Reviewer's report:

Title: The paper's title is informative and reflects the content of the article.

Key Words: They are appropriate and complete.

Abstract:

The abstract is written in a sufficiently clear way.

- I suggest you to provide a more specific indication about the possible implications of key findings of your study

- Trial Registration: Please, provide the URL

Introduction:

- The introduction presents the research in an appropriate and concise context.

- The related references are adequate and pertinent to the present study.

The hypotheses are clear.

Methods:

- Please, specify how you measure both primary and secondary outcomes in the paragraph "Measures".

Discussion:

- They are reported in a clear way.

Tables and figures are well organized.
**Level of interest**  
Please indicate how interesting you found the manuscript:

An article of importance in its field

**Quality of written English**  
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published

**Quality of figures**

All images and figures within the manuscript should be genuine i.e. without evidence of manipulation. No specific feature within an image may be enhanced, obscured, moved, removed, or introduced. If you have concerns about the veracity of the figures you should choose the first option below.

**Statistical review**

Is it essential that this manuscript is seen by an expert statistician? If so, please give your reasons in your report.

**Declaration of competing interests**  
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?
If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests
