Reviewer’s report

Title: Hospital based care at home; study protocol for a mixed epidemiological and randomized controlled trial

Version: 0 Date: 05 Dec 2018

Reviewer: PUVAN THARMANATHAN

Reviewer’s report:

Please check the language in the abstract and pages 1 to 4 of the manuscript to improve grammar and flow. The following have been identified as needing to be edited:

2nd line of abstract: Include "of" after "because"

5th line of abstract: Remove dash after the word "consuming"

Page 3, Lines 14-17: Suggest rephrasing - We currently do not know the reasons individuals develop PUs, and the best follow-up in those with SCI who develop a PU.

Page 3, Line 22: Remove the dash after "demonstrated". Please check through the document for instances where a dash has been used when not required.

Page 3, Line 27: Edit "follow-ups" to "follow-up"

Page 3, Line 36: The RCT aims*

Page 4, Line 19: services* innovated...

Level of interest
Please indicate how interesting you found the manuscript:

An article of importance in its field

Quality of written English
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published

Quality of figures
All images and figures within the manuscript should be genuine i.e. without evidence of manipulation. No specific feature within an image may be enhanced, obscured, moved, removed, or introduced. If you have concerns about the veracity of the figures you should choose the first option below.
**Statistical review**
Is it essential that this manuscript is seen by an expert statistician? If so, please give your reasons in your report.

**Declaration of competing interests**
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organisation that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests
