Title: ANTHROPOMETRIC MULTICOMPARTMENTAL MODEL TO PREDICT BODY COMPOSITION IN BRAZILIAN GIRLS

Version: 0 Date: 03 Sep 2017

Reviewer: Jeronimo Garcia-Romero

Reviewer's report:

Dear author:

Congratulations for this great job.

Here you are a few minor questions to review.

There are some extra spaces between words, over the whole text. Please check it.

Page 3
Line 24 (1.100 g/cm3). Zeros at the end of a decimal does not have meaning.

Page 4
Line 19-20, it seems to contain "circumferences" twice.
Line 22 lack of full stop dot.

Page 7
Line 14, there is not a description of "S" meaning in the equation.

Page 9
Line 19, the expression of that formula is expressed yet in methods.
Unable to found RT abbreviation meaning.

Please include all comments for the authors in this box rather than uploading your report as an attachment. Please only upload as attachments annotated versions of manuscripts, graphs, supporting materials or other aspects of your report which cannot be included in a text format.

Please overwrite this text when adding your comments to the authors.

**Are the methods appropriate and well described?**
If not, please specify what is required in your comments to the authors.

Yes

**Does the work include the necessary controls?**
If not, please specify which controls are required in your comments to the authors.

Yes

**Are the conclusions drawn adequately supported by the data shown?**
If not, please explain in your comments to the authors.

Yes

**Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?**
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics

**Quality of written English**
Please indicate the quality of language in the manuscript:

Acceptable

**Declaration of competing interests**
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?
3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests.
