Reviewer's report

Title: Multiple Intracardiac Masses: Myxoma, Thrombus or Metastasis: A Case Report

Version: 6 Date: 5 June 2015

Reviewer: Dan Marek

Which of the following best describes what type of case report this is?: An unexpected association between diseases or symptoms

Do you believe the case report is authentic?:

yes

Do you have any ethical concerns?:

yes

Is the Abstract representative of the case presented?:

yes

Does the Introduction explain the relevance of the case to the medical literature?:

yes

Does the article report relevant patient information?: Yes

Does the article report relevant physical examination findings?: No

Does the article report important dates and times in this case?: Yes

Does the article report the diagnostic assessments?: Yes

Does the article report the types of intervention?: Yes

Does the article report a summary of the clinical course of all follow-up visits?: No

If any information is missing from the reporting, please detail it here.: The case report is really brief. The LV function is not assessed - this may have a relationship to the clots found
in the LV cavity.
Other echo findings?

**Is the interpretation (discussion and conclusion) well balanced and supported by the case presented?**:

The discussion is not relevant - most of it sounds rather like an introduction. No discussion/interpretation of the clotting/myxoma relationship - pathophysiology? The literature cited is not relevant (e.g. sudden death has no support in references 9 and 10) etc.

**Does the case represent a useful contribution to the medical literature?**:

Interesting case, but not very well elaborated

**Was written informed consent to publish this case obtained?**: Yes

**Is the anonymity of the patient protected?**:

yes

**Additional comments to authors?**:

Take more effort to describe the case and

**Level of interest**: An article of limited interest

**Quality of written English**: Needs some language corrections before being published

**Declaration of competing interests**:

No conflicts
