Reviewer’s report

Title: Acute psychosis as an initial manifestation of hypothyroidism: case report

Version: 2

Date: 16 August 2015

Reviewer: Bawo James

Which of the following best describes what type of case report this is?: Unexpected or unusual presentations of a disease

Do you believe the case report is authentic?: Yes

Do you have any ethical concerns?: No mention is made of requesting an IRB review or obtaining one, only informed consent is available on request.

Is the Abstract representative of the case presented?: The sub-section on description of the case, should be summarized further.

Does the Introduction explain the relevance of the case to the medical literature?: Introduction is rather brief, and should be expanded. No literature review is undertaken.

Does the article report relevant patient information?: Yes

Does the article report relevant physical examination findings?: Yes

Does the article report important dates and times in this case?: No

Does the article report the diagnostic assessments?: Yes

Does the article report the types of intervention?: Yes

Does the article report a summary of the clinical course of all follow-up visits?: No

If any information is missing from the reporting, please detail it here.: Provide coherent timelines from admission to discharge to guide the reader. Specify on what day after admission (Day 0), investigations were requested,
medications started, symptom improvement noted

**Is the interpretation (discussion and conclusion) well balanced and supported by the case presented?:**

Good

**Does the case represent a useful contribution to the medical literature?:**

Yes it does. The authors should consider other differentials in the discussion of their results

**Was written informed consent to publish this case obtained?:** Yes

**Is the anonymity of the patient protected?:**

Yes

**Additional comments to authors?:**

Please get someone who is a native speaker of English to review the manuscript for language and style

**Level of interest:** An article of importance in its field

**Quality of written English:** Not suitable for publication unless extensively edited

**Declaration of competing interests:**
