Reviewer’s report

Title: Acute appendicitis: A case report of an unusual foreign body

Version: 0 Date: 19 Feb 2016

Reviewer: D Anyfantakis

Reviewer's report:

Well written and interesting case. I would suggest a comment regarding the necessity to avoid sex oral in the conclusion. Citation of a multicenter study regarding acute abdominal infection published in the world journal of emergency surgery on 2015 would be useful.
